

## **Minutes**

SVLBC Executive Meeting

November 19<sup>th</sup>, 2010

Attendance – Roger Beall, Larry Collaco, Ken Torke, Jeanne Brown, Al Mendoza, Dorie Mendoza, Al Rizzo, Peter Ringo, Marc Delacruz, Jackie Rusch, Angie Peet, Steve Scheck, Joe Sheppard

## **Agenda**

The Executive Meeting was called to discuss a few items prior to the Christmas Party and General Meeting.

### **Setting the slate of officers:**

President - Larry Collaco

Vice President – Ken Torke

Secretary – Jeanne Brown

Treasurer – Angie Peet

No other members expressed interest in the positions. The floor will be open for other nominations during the election which will be held during the December 4<sup>th</sup> Christmas Party. Proxies will be taken from members not planning on attending to ensure a quorum.

### **Christmas Party:**

The arrangements are in place for the party. There are currently 27 people who have paid to attend. There will be a no-host bar before.

### **Club Colors:**

One of the conclusions in the Ad-Hoc meeting regarding increasing club membership is that club colors and branding will bring a more colorful sporting image to the game. Clubs are encouraged to identify colors. There was some discussion and it was agreed that the old colors of yellow and green be revived.

### **Shirts:**

Marc Delacruz and Jeanne Brown have volunteered to look into options for new club shirts. It was suggested that a polo type shirt with an embroidered logo would be an initial option but that jackets or other items might be added later if there was interest.

### **Club House:**

Larry Collaco, Angie Peet, and Jeanne Brown have spent some time cleaning the club house and discarding some of the collected junk. Marc Delacruz offered to replace the tv in the box with a small flat panel that will take up less room.

### **Game Length:**

Several members have asked that shorter games be an option on bowling days. It was agreed that a shorter game should always be available and that the bowlers wanting to play a limited number of ends just need to indicate so.
