

**Sunnyvale Lawn Bowling Club  
General Meeting Minutes  
December 4, 2011**

Call to order and pledge at 11:00 am.

**Present:**

Roger Beal, Irene Nakao, Norman Nakao, Joe Manfrey, Joe Sheppard, Peter Ringo, Mike Overton, Al Rizzo, John Peet, Angie Peet, Al Mendoza, Dorrie Mendoza, Larry Collaco, Ken Torke

**Treasurer's Report – Angie Peet**

Attached. Income \$151, Expense \$168.95, Balance \$5,795.91

**Greens Report – Joe Manfrey**

City staff scarified the green and applied pre-emergent weed control last weekend. The green is rolling well. They have been doing a good job with the green. We would still like to move the weekly mow and rolling by City staff to Monday since most bowling occurs on the week days.

**Coach's Report – Al Rizzo**

Al has been talking to a CPA firm about a 25 person team building event. They are considering doing this in February and have ben told that it would cost \$15-\$20 per person. He has talked to the City (Kay) who has requested that we establish a City managed fund for taking in payments. The club can't make a profit off of City facilities but can use the money for club operations. Collecting the money through the City fund is the best way to do this.

**Sunshine Report – Dorie Mendoza**

Dorie was not available to give the report.

**Tournaments – Michael Overton**

Only one tournament was held this year. The club needs to purchase an engraved badge for the trophy board and decide what to do about the span of empty years on the board.

**Web Site – Ken Torke**

The San Jose winter league announcement will be posted and the broken link to the USLBA needs to be fixed. Club members were reminded that a lot of information including schedules, tournament results and meeting minutes can be found on the PIMD and USLBA web sites.

**Old Business –**

None

**New Business –**

Joe Sheppard wanted to discuss the USLBA dues and that he didn't want to pay them until USLBA gave a complete reporting of how the money is being spent. This has been a topic at the PIMD meetings and can be read about in those minutes.

**PIMD Report – Ken Torke**

The complete minutes can be found on the PIMD web site or the club board.

The meeting topics were summarized and discussions were held regarding the two key topics: PIMD tournament schedules and USLBA dues and it's relationship to club membership.

**Slate of Officers**

For 2012 the following positions were proposed and approved by vote.
