Evenings and Weekends with SVLBC

Do you have friends who would like to give lawn bowling a try? Would you like to play in the evenings? Keep an eye out for our upcoming evening events starting this May. The plan is to have bowling at 5:00 pm on Tuesdays and Thursdays. They will be beginner friendly and may even include hot dogs and drinks.

The San Jose green will be closed all of March and April. Palo Alto's green closure will be from early May to mid-June. What does that mean for Sunnyvale bowlers? We'll be hosting our friends from the northern and southern clubs while their greens are getting a little TLC. More friends and more bowling. Keep an eye out for extra opportunities to play, particularly on the weekends.

See the PIMD schedule on the back.
